CYPRUS INTERNATIONAL BOAT SHOW

WELCOME TO

CYPRUS INTERNATIONAL BOAT SHOW

A New Era in Yachting Begins Here

Following 15 years of success and recognition in the marine industry, the Limassol Boat Show opens a new chapter, bringing its legacy and momentum to Ayia Napa. Building on the success of the Boat & Sea Expo, the Cyprus International Boat Show emerges as a new institution, aiming to strengthen Cyprus's position on the international yachting map.

The exhibition aims to bring together leading companies, marine industry professionals, yacht owners and prospective buyers from Cyprus and abroad, creating valuable opportunities for brand exposure, networking and new business partnerships. Our vision is to deliver a high-quality exhibition experience that celebrates innovation, encourages business growth and promotes yachting and marine tourism across the Eastern Mediterranean. Together, we open new horizons and shape the future of yachting!

Welcome to the Cyprus International Boat Show. We wish you a successful participation filled with valuable connections, new partnerships and exciting business opportunities.

The exhibition area will be configured to host:

1. Exhibition booths on land
2. Boats displayed in the water
3. Presentation and activity areas
4. Hospitality areas (VIP / Lounge)

The allocation of exhibitors will be carried out according to the final exhibition floor plan, which will be delivered to participants prior to the event.

21-23 MAY 2027

Operating Hours:

Friday	21 May	17:00 – 21:00
Saturday	22 May	15:30 – 21:30
Sunday	23 May	15:30 – 20:30

Exhibition Promotion and Communication

The CiBS will be promoted through an organized nationwide campaign across Cyprus, including:

1. Digital advertising
2. Promotion via social media
3. Publications in selected media outlets
4. Press releases and media announcements

The CiBS will be supported by a comprehensive, organized nationwide communication campaign aimed at maximizing the exhibition's visibility and attracting professionals and visitors from all over Cyprus.

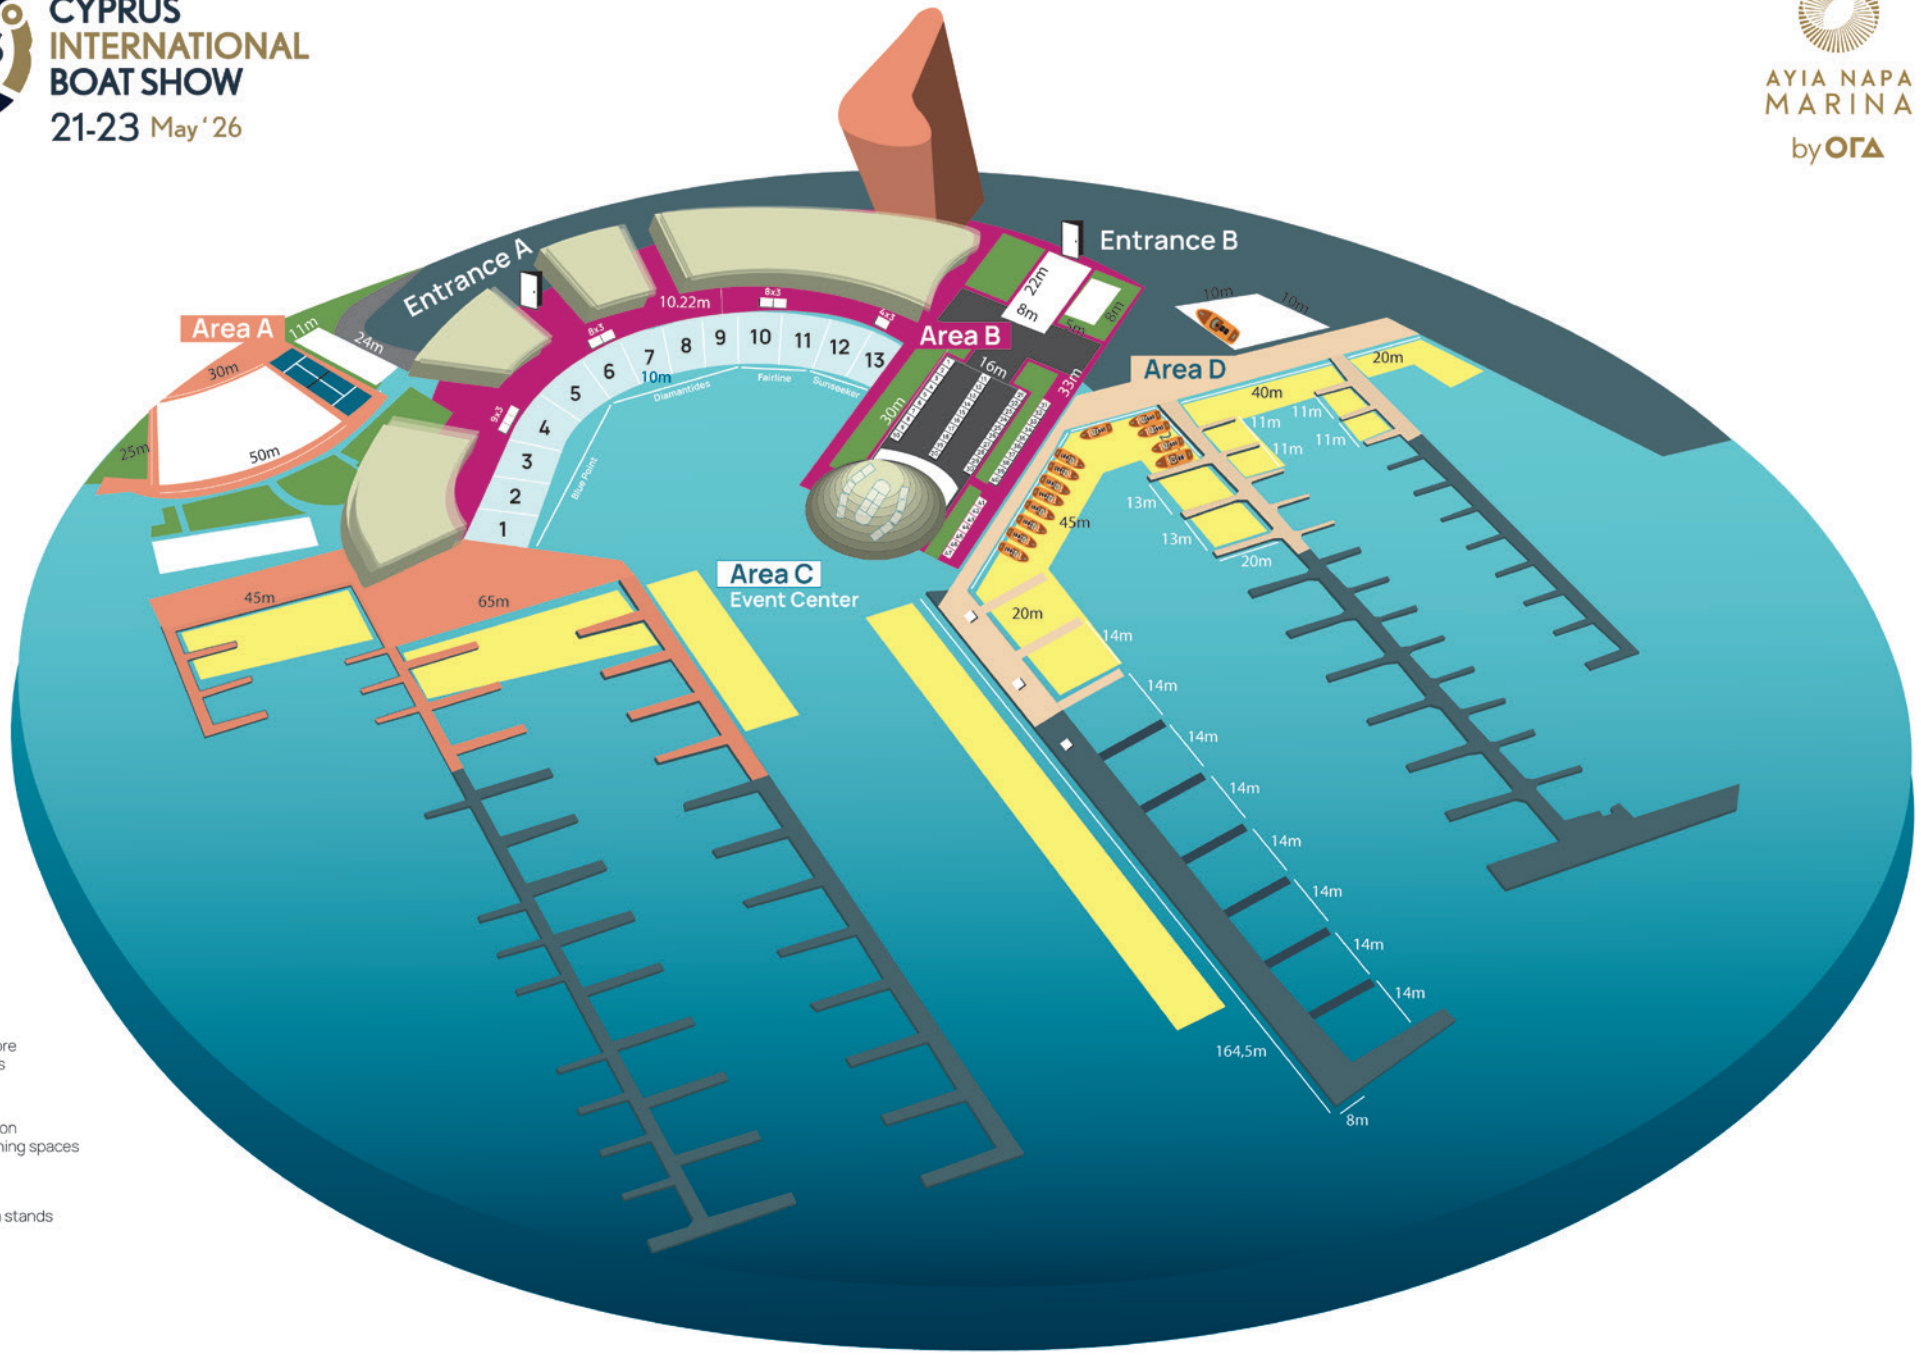

The campaign will include:

- Targeted digital advertising on popular platforms (Google, social media), focusing on audiences interested in boats, shipping, marine activities, and tourism.
- Extensive promotion through social media, with both organic and paid content, creation of spe cialized material (images, videos, reels), and con- tinuous updates before, during, and after the event.
- Publications and feature articles in selected print and digital media, both general and specialized, ensuring wide and high-quality coverage.
- Issuance and distribution of press releases and media announcements, with systematic dissem ination to journalists and media outlets, as well as coverage of key moments and announcements of the exhibition.
- Collaborations with sponsors and exhibitors through joint promotional activities and exposure in digital and traditional media.
- A press conference will be held, along with media announcements in Greek, English, Russian, and Arabic media outlets.
- The event will also receive international publicity through the established international public rela tions network of Ayia Napa Marina and through reputable international media organizations sup porting the event as communication sponsors.

Booth Constructions & Services

The creation of special booth constructions, decoration, and technical infrastructure may be undertaken by the official partners and contractors of the CiBS.

Official Constractors and Technical Services

Only the official contractors of the CIBS are permitted to construct exhibition spaces/booths and carry out electrical or other technical works within the premises of Ayia Napa Marina, unless written permission is granted by the Organizers.
Non-approved contractors will not be permitted to carry out work within the exhibition area.

Construction Approval Process

All construction, decoration, and booth equipment plans must be submitted to the Organizers for approval within the deadlines that will be specified.

The Organizers reserve the right to request modifications or reject any construction that does not comply with the technical and aesthetic specifications of the exhibition or with the safety requirements of Ayia Napa Marina.

Use of External Contractor

If an Exhibitor wishes to use an external contractor, prior written approval from the Organizers is required.
The external contractor must provide all necessary certificates, licenses, and insurance policies covering their personnel and the work to be carried out.

Electricity Supply – Technical Provisions

The electricity supply provided to each booth covers basic needs, according to the technical specifications of the event.
If the Exhibitor requires additional load capacity, special provisions, or three-phase power, this must be declared in advance on the Participation Form.
Additional provisions may be subject to extra charges and are dependent on availability.

Safety – Delivery and Dismantling

All constructions and exhibits must comply with the health and safety regulations of the CIBS and Ayia Napa Marina.

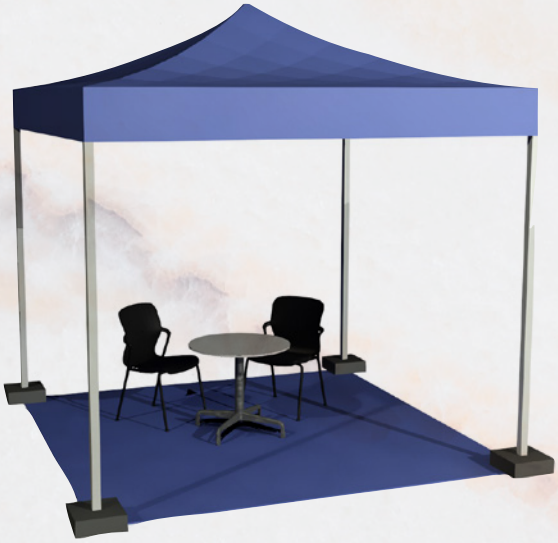

Exhibitors are required to return booths and spaces in the exact condition in which they were received.
Any damage to infrastructure, equipment, or facilities of Ayia Napa Marina shall be borne exclusively by the Exhibitor.

Terms & Conditions

CYPRUS INTERNATIONAL BOAT SHOW

1. Each participation is for the Exhibitor/Sponsor mentioned in the contract. Sublease, 'hospitality', or any 'service' by a third party is prohibited. The Organisers reserve the right to dismiss those who do not comply.
2. For reasons of equal treatment, participations packages will be allocated on a first come-first served basis; the confirmation email and advance payment receipt shall serve as proof of priority. The date of deposit shall be the sole and exclusive evidence of such priority.
3. The Organisers have the right to deny any participation or exhibit without any obligation of justifying their position.
4. Last day of submitting the Participation Form will be considered April the 8th 2027. From this date onwards, Exhibitors will be allowed to participate only with full payment of the total amount within five (5) business days and only upon availability of the remaining spaces.
5. By signing and delivering the Participation Form, each Exhibitor/Sponsor must pay 30% of the value of the participation as a down payment.
6. Repayment/settlement is considered to be the payment of the total amount before April the 8th 2027 via bank transfer to the Organiser's bank account or by signed cheques in the name of the Organisers. In case of post-dated checks, the latter must be signed no later than 15th of April 2027 and only if 30% of the total amount has been paid.
7. If, after paying the full amount, the Exhibitor can not, or chooses not to participate, or cannot participate due to force majeure, so long as 30 business days' notice (prior to the event) has been provided in writing, 50% of the total amount paid will be returned to the Exhibitor.
   If the Exhibitor decides not to participate in the exhibition and does not notify the Organisers with a written notice 30 business days prior to the exhibition or does not bring his exhibits on time, he / she must pay the full amount of his / her participation. If the total amount has been paid, then the Organisers will retain this amount as compensation.
8. If, after paying the full amount, the Sponsor cannot, or chooses not to participate, or cannot participate due to force majeure, so long as 60 business days' notice (prior to the event) has been provided in writing, 50% of the total amount paid will be returned to the Sponsor.
   If the Sponsor decides not to participate in the exhibition and does not notify the Organisers with a written notice 60 business days prior to the exhibition or does not bring his exhibits on time, he / she must pay the full amount of his / her participation. If the total amount has been paid, then the Organisers will retain this amount as compensation.
9. In case that an Exhibitor, after signing the participation form and accepting the Terms & Conditions of the exhibition, independently of the terms 5-8, does not attend the event and does not inform the Organisers with a written notice 30 business days before the event, then the Exhibitor has to pay the total amount of participation as compensation.
10. In case that a Sponsor, after signing the participation form and accepting the Terms & Conditions of the exhibition, independently of the terms 5-8, does not attend the event and does not inform the Organisers with a written notice 60 business days before the event, then the Sponsor has to pay the total amount of participation as compensation.
11. The Organisers reserve the right to move, modify or re-arrange the exhibition spaces, Exhibitor/Sponsor stands and any other equipment or furniture at its discretion, in the interests of health & safety, security or for the general improvement of the event.
12. Only the official contractors of the event are permitted to enter the venue premises to conduct work to construct stands or install equipment of any kind, unless authorised in writing by the Organisers. Unauthorised contractors will not be granted access to the venue. All structures must comply with the safety requirements of the event Health & Safely plan and the Organisers reserve the right to request the removal, or to remove, any structure or item that does not comply.
13. All exhibition stand designs and constructions must be submitted to the Organisers for approval no later than seven (7) business days prior to the start of the exhibition. The Organisers reserve the right to approve any exhibit design at its discretion, in order to maintain the intended appearance and structure of the exhibition space, prevent disturbance to other exhibitors or other visitors to the event and to comply with term 11 of this agreement.
14. If approval for use of a non-official contractor is granted by the Organisers, they must have submitted the following documents to the Organisers ten (10) business days prior the event:
    a. Employer's liability insurance.
    b. 3rd Party Public Liability Insurance.
    c. Company risk assessments or work-specific risk assessments.
    d. Safe working method statements describing the work to be conducted (health & safety procedures).
15. Constructions or exhibits which, at the discretion of the Organisers, do not meet the security measures required, will be either removed or placed elsewhere by the Organisers, with the cost paid by the Exhibitor/Sponsor to which the exhibits belong.
16. Organisers can offer upon additional charge, the construction of special stands or the rental of equipment such as carpets, TVs, stands, desks, shades and many more. (Relevant pricelist available)
17. Exhibitor/Sponsor have the obligation to deliver their stands exactly as they were received. In the event of any damage or loss to the stand structure, Exhibitor/Sponsor shall compensate the Organisers with the value of the damage or loss. Any interference, modification or destruction of the property of Marina Ayia Napa is prohibited.
18. The use of proprietary/private equipment and machinery by exhibitors can only be done after approval by the Organisers.

Signature: _____

19. The Exhibitor/Sponsor, as manufacturer or importer of technical machinery, is required to take on all exposed machines, security measures to prevent any risk for the operators of machinery or the visitors. The Organisers have the right to stop the operation of machineries at any time if it is assumed dangerous or disturbing for other participants. Also any kind of flammable material shall not be used at the stands.
20. Advertising outside the Exhibitor stands is not permitted. Exhibitor may not distribute promotional material in the corridors, the surrounding areas of the exhibition and at the entrance.
21. It is forbidden to sell, use and eat food or drinks in the exhibition area without the approval of the Organisers.
22. Exhibitors/Sponsors must use audiovisual media in low volume so as not to disturb other participants. Otherwise, the Organisers reserve the right to terminate the participation agreement by removing the Exhibitor/Sponsor from the exhibition area.
23. Exhibitors/Sponsors are required to use the power provided by the Organisers. Any devices that do not meet the intended load (13 amperes) or dangerous power connections will be removed by the Organisers. Upon contact and consultation with the Organisers, Exhibitors/Sponsors may acquire a higher charge of electricity, subject to additional charges.
24. In the event that the exhibition does not occur or is interrupted or its character changes from any natural phenomena (earthquake, flood, war, fire or any other reason not due to the Organisers' actions), it is agreed that Exhibitors/Sponsors have no claim in respect of any compensation or refund from the Organisers.
25. The Opening Ceremony, the hours and days of the exhibition are determined by the Organisers who reserve the right to make any changes.
26. It is prohibited to move any exhibits from the exhibition area before the 10th of May at 20:30, the end of the CIBS. The arrival, assembly and disassembly of the exhibition spaces will take place upon instructions from the Organisers and should be strictly followed by all participants.
27. The time schedule for venue and exhibit access, set-up, break-down, deliveries, boat arrivals and departures – both before and after the event, shall be set by the Organisers and must be followed strictly and without exception by Exhibitors/Sponsors and contractors accordingly. If an allocated boat arrival or departure time is missed, the Organisers will endeavour to set an alternative if feasible. All exhibits set up and decoration must be complete at least two (2) hours prior to the Official Opening of the exhibition. The Organisers will not be held responsible for any losses or costs associated with failure to comply with the exhibition set-up and breakdown schedule as published or amended.
28. No boats may leave the exhibition berths during the event dates unless for emergency reasons.
29. Exhibitors that will be displaying boats, afloat or ashore, must declare the size and type within their exhibition plan submitted to the Organisers as per the published deadline (paragraph 42). Changes to the declared exhibit boat plan must be approved in writing by the Organisers. The dimensions of the boat must be compatible with the size of berth included within the exhibitor's exhibition space.
    The Organisers reserves the right to approve or deny any deviation from the berth dimensions in accordance with the limitations of the rented exhibition space and with the safety requirements of boat mooring as defined by Marina Ayia Napa.
30. The cost is calculated by the number of berths occupied by each exhibitor and berths are subject to maximum size restrictions.
31. Oversize boats can be accomodated to exhibit elsewhere upon consultation with the Organisers.
32. Only official dealers or sub-dealers of the vessel on display can be accommodated to exhibit in Area B + D.
33. Companies that are not official dealers and they are exhibiting used boats may be accommodated in Area B.
34. Private/Corporate/Sponsor events may only take place on exhibiting boats and only upon approval from the Organisers.
35. Chartering boats or used boats may be hosted in indicated area that the Organisers will assign.
36. The cost of moving the exhibits to and from the exhibition area, as well as the decoration of the stand, will be borne by the Exhibitor/Sponsor, who is not entitled to request a reduction/discount in the cost of the stand.
37. Any alteration, removal or addition of materials must be with the consent of the Organisers, who retain the right, at their discretion, to remove or relocate facilities that disturb other participants or visitors.
38. In addition to the established security provided by Marina Ayia Napa, the Organisers undertake to provide special security for the exhibition area during the exhibition. Exhibition areas will be patrolled 24 hours a day and there will be crowd and traffic control. It is the exclusive responsibility of Exhibitors/Sponsors to ensure the safety and supervision of their own exhibition space, equipment and objects. Anything that is abandoned at the site is at the sole responsibility of the owner. In addition to the security services provided, the Organisers and Marina Ayia Napa are not responsible for the loss of items from the exhibition stands.
39. The Organisers and Marina Ayia Napa do not undertake any exhibits insurance. Exhibitors/Sponsors should be covered by their own insurance policies against any risk.
40. Damage, losses, disasters (from fires, natural phenomena, explosions, water or other causes) and generally any damage to persons, plant, machinery and merchandise cannot be attributed to the Organisers or Marina Ayia Napa.
    The Organisers and Marina Ayia Napa are not liable for compensation and have only the usual obligations of the lessor, i.e. they are not the depositaries of the persons admitted to the rented premises.

Signature: _____

41. Exhibits, decoration materials, equipment or waste materials that have not been removed by the end of the designated break-down period, shall be removed and stored or disposed of at the sole expense of the Exhibitor/Sponsor.
42. Exhibitors/Sponsors are required to submit all of the requested information concerning stand design, construction, equipment required and boats or machinery to be displayed (whether afloat or ashore), to the Organisers by 8th April 2026.
43. Exhibitors/Sponsors are required to send their company logo, contact details, logos of exhibits, high-resolution photographs of the exhibits, text with a description of the exhibits in Greek and English language, as well as any promotional material for their exhibits until March the 20th, 2026.
44. Parking permits will be allocated to Exhibitors according to each Exhibitor's rental space. Parking is only permitted in the designated exhibitor parking zones. Access to designated drop off and pick-up zones during set-up and break-down is only permitted during the allocated time slots and cars must NOT access any event areas or restrict access points or roadways at any other times.
45. For the participation to be approved, Exhibitor/Sponsor have to accept and sign the Participation Form as well as the Terms and Conditions of CIBS and pay 30% of the value of the stand as a down payment.
46. The VAT is not included in the prices mentioned.
47. Exhibitors in outdoor areas must plan for the possibility of bad weather and take precautions to protect materials and equipment. Organisers are not responsible for damage, exhibitors may be charged for damage.
48. Access to stands by car and by contractors will not be permitted during the show.
49. Stands must be open, manned and operating during all show hours, penalties/consequences must apply if not.
50. Strict timing for access to stands pre and post boat show for set up and dismantling will be provided, access will not be provided outside of these hours.
51. All forklifts, cranes or any other machinery may only be booked via the organisers. Unknown machines will not be granted access.
52. Boats may not leave before the end of the boat show.

The organizers will follow a strict priority policy. The informal participation form is accepted when submitted in any way, signed, and accompanied by a 30% advance payment. I acknowledge and accept all the terms mentioned above for the organization of the CIBS 2026.

- Clubs and non-profit organizations are entitled to a 20% discount.
- Exhibitors must inform the Organizers about the items they intend to display.
- Additional constructions or services by the construction company at exhibitors' booths will be charged extra, subject to agreement between the construction company and the exhibitor.
- Exhibitors may additionally request special constructions, extra lighting, additional electricity supply, and other services.
- It is possible to divide the exhibition space with a special construction upon request to the organizers.
- The Organizers bear no responsibility beyond the rental of the exhibition space.
- For space pre-booking, the principle of first-come, first-served applies, according to the Exhibition Terms and Regulations.
- Exhibitors wishing for a larger booth may, upon submission of an expression of interest to the Organizers, obtain a double or triple booth.
- The participation fee includes lighting of the space (general lighting), general security of the space when the exhibition is closed, promotion of the exhibition, and the provision of electricity for two (2) devices up to 13 A.
- If the Exhibitor requires additional power, it must be declared in advance and may incur an extra charge depending on availability.
- Any intervention, modification, or damage to the property of Agia Napa Marina is strictly prohibited.

I have read and I accept all the terms mentioned above for the organisation of CIBS by Dacor Advertising and Media Ltd.
